

Information for our Exchange Partners

As we expect ERASMUS+ students from all over Europe, we would like to inform you about our university's precautions and measures regarding the COVID-19 pandemic. Below you can find answers to some of the most frequently asked questions and concerns.

Situation for New Incoming ERASMUS+ Students

Current situation

- As of now, we still expect our exchange to go ahead as planned. Please be advised, however, that teaching activities, including preparatory language classes, are suspended and libraries are closed **until May 11th 2020**. The University of Freiburg bases its measures on the recommendations of the [Robert-Koch-Institute](#).
- Our welcome event for new ERASMUS+ students has been cancelled.
- The city of Freiburg has issued a decree prohibiting gatherings of more **than two** people. People are advised to stay home and limit contact to others as much as possible.

Preparations before arrival

- Students should take note of entry and exit regulations for [Germany](#) and their home countries.
- For questions concerning courses and alternative teaching activities, students should contact their departmental coordinators. A list with the contact information of all coordinators is attached.
- Matriculation for international students has been digitalised. **Your students already received** detailed instructions on how to enrol at our university. Please also note that our office is closed for the public, but we are still available via e-mail.
- **Students who wish to cancel their mobility please write an e-mail with subject "Incoming" to europa@zv.uni-freiburg.de and/or julius.wiedersich@zv.uni-freiburg.de.**
- **Since there won't be any activities at the university until May 11th, we highly recommend your students to cancel their rooms in the dormitories for April as soon as possible. Otherwise they will have to pay the rent for April.**

- Students who want to withdraw from their previous cancellation should write an e-mail to europa@zv.uni-freiburg and/or to julius.wiederich@zv.uni-freiburg.de with subject "Incoming". They also will have the option to reapply for housing for May.
- Students from high-risk areas or students who travel through high-risk areas should take precautions and self-isolate for two weeks after arrival in Freiburg.
- We will provide all incoming exchange students with relevant information regarding university actions. To keep students up to date, we recommend that they:
 - check their e-mails regularly
 - visit the [university website](#)
 - check their national health ministry as well as the German [Robert-Koch-Institute](#) frequently for recommendations and updates.

Information for ERASMUS+ Mobilities in the Winter Term 2020

- We accept nominations for the winter term 2020 as usual. Deadline for nominations is June 10th, via e-mail to europa@zv.uni-freiburg.de.
- If you are in a position to nominate students and have questions and concerns not addressed herein, please do not hesitate to contact us via ulrich.eckelt@zv.uni-freiburg.de.
- Students may contact our office via europa@zv.uni-freiburg.de.
